ArcRoyal

Directors' report *(continued)*

Directors' report

The directors present their annual report and audited financial statements of the company for the year ended 31 December 2017.

Principal activities

The company manufactures and sells custom sterile procedural packs and sterile surgical disposables.

Business review and future activities

The company continued to operate in its existing markets. At the beginning of 2017, one of ArcRoyal's main customers transitioned its customer base for ArcRoyal's products to Owens & Minor Ireland, a parent company of ArcRoyal. ArcRoyal will sell these products through an affiliate in 2017.

Principal risks and uncertainties

The key risk and uncertainty facing the future development of the company continues to be competing in a very price sensitive market.

The directors have developed a range of strategies to address this and other risks faced by the company and are confident that these factors are being managed effectively.

In monitoring the company's performance, the directors and management have regard to a range of key performance indicators in respect of sales, margins, operational KPIs and expense management. These are monitored by management to budget on an on-going basis. The key performance indicators of sales and margin for the year are set out within the profit and loss account on page 8.

Results and dividends

The results for the year are set out on page 8. During the year no dividends were paid (2016: €Nil).

Directors, secretary and their interests

The names of the persons who were directors during the year are stated on page 1. Except where indicated, they served as directors for the entire year.

The directors' interests in group companies are as stated below:

Ordinary shares

Director/Secretary	Name of company	Holding at 31 December 2017	Holding at 31 December 2016
Richard A. Meier	Owens & Minor Inc.	88,179	88,179
Charles Colpo	Owens & Minor Inc.	38,751	38,751

The directors are not required to retire by rotation.

Political and charitable donations

The company made no political nor charitable donations during the year.

ArcRoyal

Directors' report *(continued)*

Post balance sheet events

There have been no significant events since the balance sheet date which require adjustment to the financial statements or the inclusion of a note thereto.

Accounting records

The directors believe that they have complied with the requirements of Section 281 to 285 of the Companies Act 2014 regarding maintaining adequate accounting records by employing personnel with appropriate expertise and by providing adequate resources to the financial function. The accounting records of the company are maintained at the registered office.

Relevant audit information

The directors believe that they have taken all steps necessary to make themselves aware of any relevant audit information and have established that the company's statutory auditors are aware of that information. In so far as they are aware, there is no relevant audit information of which the company's statutory auditors are unaware.

Auditor

In accordance with Section 383(2) of the Companies Act 2014, the auditor, KPMG, Chartered Accountants, will continue in office.

Statement of directors' responsibilities in respect of the directors' report and financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company and of its profit or loss for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternatives but to do so.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the Company and enable them to ensure that the financial statements comply with the Companies Act 2014. They are responsible for such internal controls as they determine it necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities. The directors are also responsible for preparing a directors' report that complies with the requirements of the Companies Act 2014.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent auditor's report to the members of ArcRoyal

1 Report on the audit of the financial statements

Opinion

We have audited the financial statements of ArcRoyal ('the Company') for the year ended 31 December 2017 set out on pages 8 to 20, which comprise the profit and loss account and other comprehensive income, the balance sheet, the statement of changes in equity and related notes, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 101 *Reduced Disclosure Framework*.

In our opinion, the accompanying financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with FRS 101 *Reduced Disclosure Framework*; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ((ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We have nothing to report on going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Independent auditor's report to the members of ArcRoyal *(continued)*

1 Report on the audit of the financial statements *(continued)*

Other information

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Based solely on our work on the other information;

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements;
- in our opinion, the directors' report has been prepared in accordance with the Companies Act 2014.

Opinions on other matters prescribed by the Companies Act 2014

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by Sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

2 Respective responsibilities and restrictions on use

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent auditor's report to the members of ArcRoyal (*continued*)

2 Respective responsibilities and restrictions on use (*continued*)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on IAASA's website at https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The accompanying notes form an integral part of the financial statements.

ArcRoyal

Notes

forming part of the financial statements

1 Accounting policies

ArcRoyal is a company domiciled and registered in the Republic of Ireland. The company's registered office is at Virginia Road, Kells, Co. Meath.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101"). There have been no material departures from the Standards.

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRS"), but makes amendments where necessary in order to comply with the Companies Act 2014 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In the transition to FRS 101, the company has applied IFRS 1 whilst ensuring that its assets and liabilities are measured in compliance with FRS 101. The accounting policies set out in this note have been applied in preparing the financial statements for the year ended 31 December 2017 and the comparative information presented in these financial statements for the year ended 31 December 2016

In these financial statements, the company has adopted certain disclosure exemptions available under FRS 101. These include:

- a cash flow statement and related notes;
- disclosures in respect of the compensation of key management personnel;
- disclosures in respect of transactions with wholly owned subsidiaries;
- disclosures in respect of capital management;
- certain comparative information;
- the effects of new but not yet effective IFRSs; and
- an additional balance sheet for the beginning of the earliest comparative period following transition.

As the consolidated financial statements of Owens and Minor Inc., the ultimate parent company, include the equivalent disclosures, the company has also taken the exemption under FRS 101 available in respect of the following:

- Certain disclosures required by IFRS 13 *Fair Value Measurement* and the disclosures required by IFRS 7 *Financial Instrument Disclosures*.

The consolidated financial statements of Owens and Minor Inc. are available to the public and may be obtained from 9120 Lockwood Boulevard, Mechanicsville, Virginia, USA.

1.1 Measurement convention

The financial statements have been prepared on the historical cost basis except for assets and liabilities arising on financial instruments classified as fair value through the profit and loss which are presented at fair value.

1.2 Functional currency

These financial statements are presented in Euro, being the functional currency of the company. All financial information presented in Euro has been rounded to the nearest thousand, except where otherwise stated.

ArcRoyal

Notes (continued)

1 Accounting policies (continued)

1.3 Foreign currency

Transactions in foreign currencies are translated to the functional currency of the company at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated to the functional currency at the exchange rate when the fair value was determined. Foreign currency differences are generally recognised in profit or loss. Non-monetary items that are measured based on historical cost in a foreign currency are not translated.

1.4 Use of estimates and judgements

In preparing these financial statements management has made judgements, estimates and assumptions that affect application of the company accounting policies and the reported amounts of assets, liabilities, income and expenses. Such estimates and judgements are based on historical experience and other factors, including expectation of future events that are believed to be reasonable. Actual outcomes may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively. The key accounting judgements and sources of estimation affecting these financial statements are those relating to stock provisions and valuation of deferred tax assets.

1.5 Going concern

The financial statements have been prepared on the going concern basis.

1.6 Turnover

Turnover represents the fair value of goods and services, net of discounts and VAT, supplied to external customers during the accounting period. Turnover is recognised when the goods have been dispatched.

1.7 Expenses

Interest receivable and interest payable

Interest payable and similar charges include interest payable and net foreign exchange losses that are recognised in the profit or loss (see foreign currency accounting policy). Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Foreign currency gains and losses are reported on a net basis.

1.8 Taxation

The income tax expense comprises current and deferred tax. It is recognised in the income statement except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or directly in equity.

ArcRoyal

Notes (continued)

1 Accounting policies (continued)

1.8 Taxation (continued)

Current tax is the expected tax payable on the taxable income for the year using tax rates and laws that have been enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and amounts used for taxation purposes. A deferred tax asset is recognised to the extent that it is probable future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

1.9 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Land is not depreciated. The estimated useful lives are as follows:

Equipment	8 to 10 years
Computer equipment	4 years
Sterilisation facility	8 years
Motor vehicles	3 years
Leased assets	over the term of the lease

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date.

1.10 Government grants

Capital government grants received are shown as deferred income and credited to the profit and loss account by instalments on a basis consistent with the depreciation policy of the relevant assets.

1.11 Stocks

Stocks are measured at the lower of cost and net realisable value. Cost is based on the first-in first-out principal and includes expenditure incurred in acquiring the stocks, production of conversion costs and other costs in bringing them to their location and condition. In the case of manufactured stocks and work in progress, cost includes an appropriate share of overheads based on normal operating capacity.

1.12 Employee benefits

Defined contribution plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

ArcRoyal

Notes (continued)

1 Accounting policies (continued)

1.13 Non-derivative financial instruments

Trade and other debtors

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If payments received from customers exceed the income recognised, then the difference is presented as deferred income.

Trade and other creditors

Trade and other creditors are initially recorded at fair value. Subsequent to initial recognition, they are measured at amortised cost using the effective interest rate method.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Cash equivalents are short-term highly liquid investments with an original maturity of three months or less from the date of acquisition that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

Ordinary dividends declared as final dividends are recognised as a liability in the period in which they are approved by shareholders. Interim dividends are recognised as a liability when declared.

1.14 Derivative financial instruments

Derivative financial instruments are recognised at fair value. The gain or loss on re-measurement to fair value is recognised immediately in the profit and loss account.

2 Turnover

All turnover derives from the sale of custom prepared trays and surgical accessories.

No analysis of turnover by activity and geographical area as required by the Companies Act 2014 has been included in these financial statements as the directors are of the opinion that such disclosure would be seriously prejudicial to the company's competitive position.

3 Interest payable and similar charges

	2017 €'000	2016 €'000
Bank charges	17	13
Bank overdraft interest	-	-
