Longnorth Limited

Directors' report

for the financial year ended 30 April 2020

The directors present their annual report and the audited financial statements of the company for the financial year ended 30 April 2020.

Principal activity

The company is a holding company. Details of the company's subsidiaries and associate are set out in note 8 to the financial statements.

Performance review

Both the level of business and the financial year-end financial position were satisfactory.

Risks and uncertainties

As the company is an investment holding company, the directors are of the opinion that the key risk facing the company is the possible diminution in the carrying value of the investments held in its investees. It is therefore indirectly subject to the risks and uncertainties experienced by its investees. Its investees predominantly operate in the alcoholic beverages industry. The directors have determined that the main risks and uncertainties pertaining to the alcoholic beverage activities of its investees are the competitive nature of the premium spirits market and the reliance on a small number of products to make up the majority of the turnover and gross profit generated by its investees. To off-set these risks, the management of the company's investees make sustainable, focused marketing investments. In addition, the company's investees are nurturing a number of products with long term potential to expand the range of products.

Future developments

The directors expect that the present level of activity will be sustained for the foreseeable future.

Results, dividends and reserves

The loss after taxation for the financial year was US\$103,000 (2019: US\$1,377,000). The company did not pay any dividends during the financial year (2019: US\$nil). Reserves at 30 April 2020 were US\$305,210,000 (2019: US\$305,313,000).

Events since the financial year end

Subsequent to the financial year end the company distributed its inter-company loan note of US\$300m to its immediate parent undertaking, Amercain Investments C.V., in the form of a dividend.

Accounting records

The measures that the directors have taken to ensure compliance with the requirements of Sections 281 to 285, of the Companies Act 2014 with regard to the keeping of accounting records are the engagement of appropriately qualified accounting personnel and the maintenance of computerized accounting systems. The company's accounting records are maintained at the company's registered office at 70 Sir John Rogerson's Quay, Dublin 2, Ireland.

Longnorth Limited
Directors' report (continued)
for the financial year ended 30 April 2020

Directors and secretary

The directors, who served at any time during the financial year except as noted and subsequent to the financial year-end, were as follows:

Directors

Ms. M.E. Barrazotto (USA)
Ms. L. Cunningham (USA) (resigned 25 November 2019)
Mr. L. Combs (USA)
Mr. A. Alvarez (USA)
Ms. J. Adam (USA) (resigned 14 August 2019)

Secretary

Ms. M.E. Barrazotto (resigned 25 November 2019)
Matsack Trust Limited (appointed 25 November 2019)

Directors' and secretary's interests in shares

No director or secretary had, at any time during the year, a beneficial interest in the shares of the company.

The beneficial interests, including the interests of spouses and minor children, of the directors and the company secretary who held office at 30 April 2020, in the share capital of the ultimate parent company, Brown-Forman Corporation, at 30 April 2020 and 1 May 2019, are less than 1% of the total share capital of the company.

Approval of Reduced Disclosures

The company, as a qualifying entity has taken advantage of the disclosures exemption in FRS 102 paragraph 1.12.

Objections may be served on the company by Amercain Investments C.V., as the immediate parent of the entity.

Going concern

The directors outline their assessment of going concern in note 1.

Statement of relevant audit information

So far as each of the directors in office at the date of approval of the financial statements is aware:

- a) There is no relevant audit information of which the Company's auditors are unaware; and
- b) The Directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 330 of the Companies Act 2014.

Auditors

The auditors, Deloitte Ireland LLP, Chartered Accountants and Statutory Audit Firm, continue in office in accordance with Section 383(2) of the Companies Act 2014.

Approved by the Board and signed on its behalf by:

Ms. M.E. Barrazotto
Director

Director

Longnorth Limited

Directors' responsibilities statement

The directors are responsible for preparing the directors' report and the financial statements in accordance with the Companies Act 2014 and the applicable regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Ireland issued by FRC ("relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONGNORTH LIMITED

Report on the audit of the financial statements

Opinion on the financial statements of Longnorth Limited (the 'company')

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 30 April 2020 and of the loss for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Profit and Loss Account;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 15, including a summary of significant accounting policies as set out in note 1.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council ("the relevant financial reporting framework").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "*Auditor's responsibilities for the audit of the financial statements*" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the Reports and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the entity (or where relevant, the group) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the Companies Act 2014.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

Longnorth Limited

Notes to the financial statements

for the financial year ended 30 April 2020

1 Accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the financial year and to the preceding financial year.

Basis of preparation

The financial statements are prepared in accordance with the Companies Act 2014 and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Group accounts

These financial statements present information about the company as an individual undertaking and not about its group. In accordance with Section 300 Companies Act 2014, the company is exempt from the obligation to prepare and deliver group financial statements as it is a subsidiary of a holding undertaking that is not established under the laws of an EEA state. The company is included within the consolidated financial statements of Brown-Forman Corporation, incorporated in the USA.

Basis of accounting

Longnorth Limited is a company incorporated in Ireland under the Companies Act 2014. The address of the registered office is given on page 2. The registered number is 81753. The nature of the company operations and its principal activities are set out in the director's report on pages 3 to 4.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council, and promulgated for use in Ireland by Chartered Accountants Ireland.

The functional currency of Longnorth Limited is considered to be USD because that is the currency of the primary economic environment in which the company operates.

These financial statements are separate financial statements.

Longnorth Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Longnorth Limited is consolidated in the financial statements of its ultimate parent, Brown Forman Corporation, which are available from the Companies House, 850 Dixie Highway, Louisville, Kentucky, 40210. Exemptions have been taken in these separate company financial statements in relation to financial instruments, presentation of a cash flow statement, key management compensation and related party transactions.

Longnorth Limited

Notes to the financial statements (continued)

for the financial year ended 30 April 2020

Going concern

The profit and loss account shows that the company generated a loss after taxation of US\$103,000 (2019: US\$1,377,000) and the balance sheet shows net current assets of US\$300,198,000 (2019: net current assets of US\$300,211,000). The ultimate parent company has indicated that it will provide the necessary financial support to enable the company to continue its existing scale of operations for a period of at least 12 months from the date of signing of the financial statements. The directors are therefore satisfied as to the appropriateness of the going concern basis of accounting.

Financial Instruments

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Investments

Investments in subsidiaries and associates are measured at cost less impairment.

Longnorth Limited

Notes to the financial statements (continued)

for the financial year ended 30 April 2020

Impairment of Assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Non-financial assets

An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced to below its carrying amount. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Where indicators exist for a decrease in impairment loss, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Financial assets

If at the end of the reporting period, there is objective evidence of impairment (including observable data about loss events), the company recognises an impairment loss in profit or loss immediately. For financial assets carried at amortised cost, the amount of impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Foreign currencies

Assets and liabilities are denominated into US Dollars at the rates of exchange ruling at the balance sheet date. Transactions denominated in foreign currencies during the financial year are translated into US Dollars at the rates of exchange ruling on the dates on which the transactions occurred. Profits and losses on these transactions are dealt with through the profit and loss account.

Taxation

The charge for taxation is based on the profit for the year. Deferred taxation is calculated on the differences between the company's taxable profits and the results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognized in the financial statements.

Longnorth Limited
Notes to the financial statements (continued)
for the financial year ended 30 April 2020

2 Critical Accounting Judgements and Key Sources of Estimation Uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Company's accounting policies

There were neither critical accounting estimates nor significant judgements used in the preparation of these financial statements.

3 Investment expense

	2020 US\$'000	2019 US\$'000
Impairment of investment in subsidiary (note 8)	90	-

4 Loss on ordinary activities before taxation

This is stated after charging:

	2020 US\$'000	2019 US\$'000
Directors' pension	-	-
Directors' remuneration	-	-
Foreign exchange losses	-	49

The directors do not receive any remuneration for their formal role as director of the company.

Longnorth Limited
Notes to the financial statements (continued)
for the financial year ended 30 April 2020

5 Loss on extraordinary activities before taxation

	2020 US\$'000	2019 US\$'000
Loss on disposal of investment	-	(1,314)
	<u> </u>	<u> </u>

The Company used to own an investment in Clintock Limited, which was recognized in the annual accounts at transaction price (see Note 1).

On 29th of August, 2018, a voluntary strike off was filed for Clintock Limited and on 12th of December, 2018, Clintock Limited was dissolved. The difference between investment repayment amount and transaction cost was recognized as loss on disposal of investment.

6 Taxation

The company did not incur any corporation tax during the financial year. During the year the company was tax resident in Bermuda where the standard rate of corporation tax is 0%. Subsequent to the financial year end the company changed its tax residency from Bermuda to Ireland.

	2020 US\$'000	2019 US\$'000
Loss on ordinary activities before taxation	(103)	(63)
	<u> </u>	<u> </u>
Loss on ordinary activities multiplied by the rate of corporation tax for the financial year of 0% (2019: 0%)	-	-
Effects of:		
Exempt losses	-	-
	<u> </u>	<u> </u>
Current tax charge for the financial year	-	-
	<u> </u>	<u> </u>

7 Staff members and costs

The company had no employees during the financial year (2019: Nil).

Longnorth Limited
Notes to the financial statements (continued)
for the financial year ended 30 April 2020

8 Financial assets

	2020 US\$'000	2019 US\$'000
Investment in subsidiary	5,012	5,102
Investment in associate	-	-
	<u>5,012</u>	<u>5,102</u>

Investment in subsidiary

	2020 US\$'000	2019 US\$'000
Opening balance at beginning of year	5,102	6,617
Disposal	-	(1,515)
Impairment	(90)	-
	<u>5,012</u>	<u>5,102</u>

The investment in associate represents a 20% shareholding in Edward Dillon & Co Limited. The carrying value of the investment is zero because during the year ended 30 April 2013 an impairment loss was recognised in full in respect of the investment.

Investments in subsidiary	Activity	Shareholding
2020		
BFC Tequila Limited	Did not trade	100%
2019		
BFC Tequila Limited	Alcoholic drinks marketing	100%

An impairment of US\$90,000 (2019: US\$nil) was recognised in respect of the company's investment in BFC Tequila Limited.

BFC Tequila Limited ceased trading during the year.

BFC Tequila Limited is incorporated in the Republic of Ireland. The registered office of BFC Tequila Limited is at 70 Sir John Rogerson's Quay, Dublin 2.

Longnorth Limited
Notes to the financial statements (continued)
for the financial year ended 30 April 2020

9 Debtors

	2020 US\$'000	2019 US\$'000
Loan owed by group company	300,000	300,000

The loan to group company is interest-free and is repayable on 25 April 2026. There is an on-demand feature in the loan agreement and consequently this has been classified as a short-term debtor. Subsequent to the financial year end the company distributed its inter-company loan note of US\$300m to its immediate parent undertaking, Amercain Investments C.V., in the form of a dividend.

10 Creditors: amounts falling due within one year

	2020 US\$'000	2019 US\$'000
Amounts owed to group companies	-	2
Accruals	9	5
	9	7

11 Share capital presented as equity

	2020	2019
Authorised:		
1,000 ordinary shares of €1.269738 each	€ 1,270	€ 1,270
Equivalent to US\$		
1,000 ordinary shares	\$ 1,500	\$ 1,500
Allotted, called-up and fully paid		
100 ordinary shares of €1.269738 each	€ 127	€ 127
Equivalent to US\$		
100 ordinary shares	\$ 150	\$ 150

The Company has one class of issued ordinary shares, which carry no right to fixed income.

12 Capital contribution

The capital contribution represents an additional capital infusion of US\$300 million received from the shareholder on 25 May 2016 and additional capital infusion of US\$200,000 received from the shareholder on 17 November 2017. There is no requirement or obligation to repay the contributions.

Longnorth Limited
Notes to the financial statements (continued)
for the financial year ended 30 April 2020

13 Subsequent events

Subsequent events are disclosed in the directors' report.

14 Related party transactions

The company has taken advantage of the exemption under Section 33 of FRS 102, "Related Party Disclosures" not to disclose any transactions with other group companies on the basis that the consolidated financial statements of the ultimate parent company are publicly available.

15 Parent company

The immediate parent undertaking and controlling party is Amercain Investments C.V., a limited partnership established in The Netherlands.

The company regards Brown-Forman Corporation, a company incorporated in the USA, as its ultimate parent company and controlling party. The smallest and largest group into which the results of the company are consolidated is that headed by Brown-Forman Corporation. Copies of the financial statements of Brown-Forman Corporation are available at PO Box 1080, Louisville, Kentucky 40210, USA.
